

When tomorrow starts without me
And I'm not there to see;
If the sun should rise and find your eyes
All filled with tears for me.

Iwish so much you wouldn't cry
The way you did today;
While thinking of the many things
We didn't get to say.

Iknow how much you love me
As much as I love you;
And each time that you think of me,
I know you'll miss me too.

When tomorrow starts without me,
Don't think we're far apart
For every time you think of me,
I'm right here in your heart.
